SUBMITTED TO APTECH SCHOOL OF COMPUTER SCIENCE,

SUPERVISED BY:

MR BABS

DECEMBER,2021

CERTIFICATION

This is to certify that this research work was carried out by **the members of Group 4** which include Areo mustapha, Agbeyangi Bosun, students of Aptecch computer science and technology education.

DEDICATION

This work is dedicated to God Almighty, the creator of the whole universe, the fountain of all knowledge and source of all wisdom.

ACKNOWLEDGEMENTS

First and foremost, we give thanks to God Almighty the Alpha and Omega of all creations, the author and the finisher of our faith for his protection and grace over our life.

We acknowledge our supervisor **MR Babs** for finding time out of the scheduled time to attend to us during the course of this project.

Our profound gratitude also goes to our faculty Mr Eche for his fatherly love extended to us throughout the duration of our program.

Also, we thank all our instructors in the department for the love and kindness they all showed us during the course of our program.

ABSTRACT

Our e-commerce website called ABACONECT is a fully responsive site that allows you to get the best readymade materials with quality raw materials for clothing. Many people love to get the quality fabrics, leather and even ready-made materials for different

categories but the problem is how to get it with no stress. Our website provides you with the opportunity to get your delivered to door steps with low cost

We got our resources from various location to make our website responsive and they are as follows:

COLOR: we got our color from color hunt and we choose different colors of blue

PICTURE: we got majority of our pictures from google and www.pixels .com

Google font: the font we used poppin.
